Real Property or Personal Property That Needs Immediate Attention

Question 12, among other things, asks debtors to identify any property that poses or is alleged to pose a threat of imminent and identifiable hazard to public health or safety.

SMI Group Holdings, LLC and its affiliated companies that are also filing voluntary chapter 11 bankruptcy cases in this Court (collectively, the “*Debtors*”) are, collectively, a privately held company that is the industry leader in recovering and processing post-consumer and post-industrial glass in North America. The Debtors do not believe they own or possess any real or personal property that poses or is alleged to pose a threat of imminent and identifiable harm to public health or safety. The Debtors note that they are not aware of any definition of “imminent and identifiable” harm as used in this form.
